Communion – Christians Let Us Love One Another No. 417

Blessing of the Bread

All: Bless this bread, that all who eat,
remember their connections deep;
with the dark and fertile earth,
the blessed rain, the sun's great heat;
with neighbours let us live in peace,
and with the poor, let's justice seek.

Transfer of the Eucharist - Pange Lingua

1 .Pange lingua gloriosi,
Corporis mysterium
Sanguinisque pretiosi,
Quem in mundi pretium
Fructus ventris generosi
Rex effudit gentium.

3 . On the night of that last supper
Seated with his chosen band,
He, the Paschal victim eating,
First fulfills the Law's command;
Then as food to the disciples
Gives himself with his own hand.

5 . Down in adoration falling,
This great Sacrament we hail;
Over ancient forms of worship
Newer rites of grace prevail;
Faith will tell us Christ is present
When our human senses fail.

2 . Of a pure and spotless Virgin
Born for us on earth below,
He, as man, with us conversing,
Stayed, the seeds of truth to sow
Then he closed in solemn order
Wondrously his life of woe.

4 . Word made flesh, the bread of nature
By his word to Flesh he turns;
Wine into his Blood he changes,
What though sense no change discerns?
Only be the heart in earnest,
Faith its lesson quickly learns.

6 . To the everlasting Father,
And the Son who made us free,
And the Spirit, God proceeding
From them Each eternally,
Be salvation, honor, blessing,
Might and endless majesty. Amen.
